Message du président de la Commission Internationale d'Aérostation

La ville de Saint-Jean-sur-Richelieu est devenue un nom important dans le milieu de la montgolfière. Au cours des ans, les aérostiers ont apprécié l'unique plaisir de voler dans votre superbe région, l'hospitalité de vos citoyens et les qualités exceptionnelles de votre organisation.

Nous sommes vraiment privilégiés que Saint-Jean-sur-Richelieu soit l'hôte du plus important événement aérostatique, le Championnat mondial de montgolfières. Nous saluons Saint-Jean-sur-Richelieu pour le dynamisme et l'expertise qu'elle manifeste dans l'organisation de cet excitant championnat.

La préparation d'un championnat nécessite de plusieurs intervenants, des efforts et de la diligence. Les groupes impliqués ont soigneusement planifié la bonne marche de cet événement. Les pilotes sont anxieux de débuter la compétition. Nous espérons une température favorable afin d'assurer de majestueuses envolées de montgolfières à nos hôtes, les citoyens du Québec.

Au nom de tous les aérostiers, je loue vos efforts et vous remercie de votre chaleureuse hospitalité.

Saint-Jean-sur-Richelieu has become an important name in our world of ballooning. Each year, now for many years, balloonists have enjoyed the pleasant flying over your uniquely beautiful countryside, and the friendly hospitality of your citizens, and the outstanding organizational abilities of our ballooning hosts.

We are now very fortunate that Saint-Jean-sur-Richelieu is host to our most important ballooning event, the Hot Air Balloon World Championship. We salute Saint-Jean-sur-Richelieu for the energy and expertise in organizing this very large and exacting Championship.

Preparation for a Championship requires hard work and diligence by many people in the host country. Every party involved has carefully worked out plans to support this event.

The balloonists are excited and anxious to start the competition. We hope for good weather so that the flights of the balloons and efforts of the pilots will be equally exciting to our hosts, the citizens of Quebec.

On behalf of the balloonists, I commend your efforts and thank you for your gracious hospitality.

Buoyant regards,

Karl Stetan

Message du président de la Fédération Aéronautique Internationale

Qu'il s'agisse de montgolfières, de parachutes, d'hélicoptères ou de planeurs, l'aéronautique demeure un domaine fascinant. Tout en encourageant les sports aéronautiques, la complexité technologique et la variété des activités aéronautiques exigent une réglementation, une coordination et un plan de recherche que la Fédération Aéronautique Internationale s'efforce de fournir.

L'objectif de la FAI, d'assurer l'unité dans la navigation aérienne, est en soi louable en ces jours où la coopération internationale et le dialogue entre nations sont devenus essentiels.

Le sport de la montgolfière est l'une des activités aéronautiques les plus récentes au Canada. L'engagement d'organiser un championnat mondial est exemplaire de la détermination des adeptes canadiens de la montgolfière.

Je suis convaincu que cet événement sera l'un des plus grands jamais présentés dans le sport de l'aérostation.

Je vous souhaite du plaisir dans cette compétition et de joyeux souvenirs après votre retour. De plus, j'anticipe une bonne ambiance de compétition ainsi que d'excellents résultats de vols.

Aeronautics is an amazing field, whether we talk in terms of balloons, parachutes, helicopters or gliders. With the complex technology and wide range of activity in aviation today, there is a definite need for the regulation, coordination and documentation which the FAI provides while encouraging aeronautic sports.

The FAI's goal of assuring unity in the aeronautic movement is a commendable objective in these days when international cooperation and dialogue are so imperative.

Ballooning is one of the youngest air sports in Canada. It is a great example of ballooning sportsmanship to take responsibility of organizing World Championships.

I am sure that this event will be one of the greatest ballooning ones ever held.

My wish for you is enjoyment in these surroundings, while you take part in this World Championship Competition, further wish that you will take happy memories home with you afterwards and I would like to offer my sincere wishes for a good competition atmosphere and excellent flying results.

Message du président de l'Association Montgolfière Canadienne

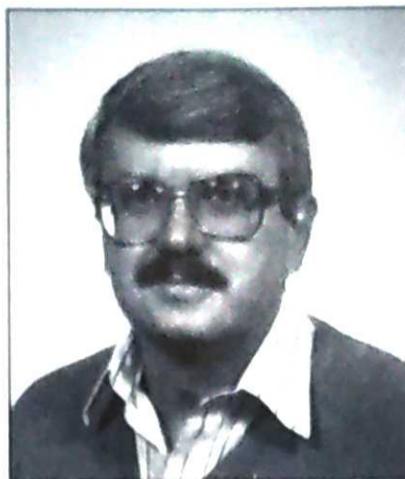

Au nom de la communauté canadienne de la montgolfière, je souhaite la bienvenue aux aérostiers du monde entier présents à ce 10e Championnat mondial de montgolfières.

J'aimerais remercier plusieurs membres de l'Association Montgolfière Canadienne, l'organisation du Festival, les aérostiers locaux ainsi que la population du Haut-Richelieu qui ont travaillé ardemment pour faire de ce championnat, une réalité, un événement qui permet de mettre sur la sellette, le sport de la montgolfière au Canada.

L'immensité du Canada présente plusieurs sites de choix pour la pratique de la montgolfière, mais Saint-Jean-sur-Richelieu demeure l'endroit par excellence si l'on considère la qualité des installations, l'organisation, la culture et l'hospitalité des gens. Une région tout à fait remarquable!

Je souhaite à tous les pilotes venus du monde entier, une compétition enlevante, agréable et sécuritaire.

Que le ciel soit radieux et les atterrissages heureux!

On behalf of the Canadian ballooning community I welcome the balloonists of the world to the 10th World Hot Air Balloon Championship.

I would like to thank many members of the Canadian Balloon Association, the Festival organization, local balloonists and the community who have worked so hard to make this championship a reality and an opportunity to spotlight Canadian ballooning. This vast country of Canada has many excellent flying areas, but none better than Saint-Jean-sur-Richelieu especially when considering facilities, organization, culture and hospitality. Truly a remarkable community.

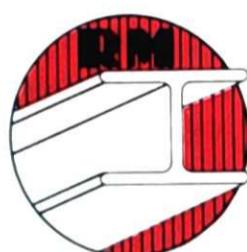

I wish all of the balloonists assembling from the many countries, an enjoyable, competitive, and safe event.

Blue skies and happy landings.
